GLOSSARY

*Annualized return means the returns earned on your investment for a year
*Net asset value means the value of a fund's assets minus the value of its liabilities at a specific time.
*Assets Under Management (AUM) refers to the total market value of all assets managed by the scheme on behalf of members.
*Real return means the annual percentage return realized on an investment, which is adjusted for changes in prices due to inflation or other external factors.

This method expresses the nominal rate of return in real terms, which keeps the purchasing power of a given level of capital constant over time.
